Letter of recommendation

This is a letter of recommendation for our Service Provider BLM H2O. As the C.O.O. of Nkunzi Pharmaceuticals I know what a dependable Service Provider means. And all the qualities that a Service Provider must possess can be found in the operations of BLM H2O.

The company is family owned and managed by Bruce and Justin Moir and they are extremely professional when it comes to supplying service to a company. Nkunzi Pharmaceutical has been working with them for over ten years and there has not been a day when we had to complain about their professionalism.

I am extremely satisfied with the way they conduct their business and hope that you have the same pleasant experience with them.

Thanking you.
